At the annual Illinois meeting of the American Camp Association, the Skokie Park District received the Program Excellence Award. This award honors programs that effectively and creatively use the camp environment to respond to the needs of people and/or societal problems.

REGISTRATION

Reminder: Registration By Age

Again this year, your child's summer camp enrollment will be based on age. (In the past, a camper's grade was used to determine enrollment.) All age requirements are listed in the camp description.

Double Check Your Account

Save yourself time and prevent any errors on camp registration day. Stop by any park district facility prior to camp registration and establish a household in our database or if you are already enrolled, update your household information. Staff will double check your camper's grade and age and make sure that you know your WebTrac login and password. See page 26 for more registration details.

Camp Open House

Wednesday, January 9, 6:30-7:30 p.m. • Oakton Community Center, 4701 Oakton Street, Skokie

Camp Open House is the place to learn about the basic content of our various camp programs, staff, field trips, swimming, transportation, extended care and other camp related subjects. Compare and contrast programs and fees, and meet camp directors. Registration will not be accepted at the Camp Open House. Registration for residents begins at 12 p.m. on Sunday, January 27 and for non-residents on Friday, February 22.

General Camp Questions: (847) 674-1500

Age Requirements

Children attending Skokie Park District camps must be age appropriate. Ages listed refer to the age of the child as of September 1, 2013 unless otherwise noted. Preschool campers three years of age must be toilet trained and the appropriate age by the beginning of their first day of camp. A copy of a birth certificate is required with the registration form when specifically stated within individual camp descriptions.

Camper Groupings & Staff-to-Camper Ratio

Group sizes vary from program to program. An average camp staff-to-participant ratio is 1:12. Any group exceeding 12 children will be supplemented with an additional staff person. Camp programs that accommodate children under the age of 5 have a camp staff-to-participant ratio of 1:8.

Special Needs (American Disability Act)

The Skokie Park District welcomes the participation of all individuals in our programs, including those with disabilities. We are fully committed to complying with the ADA and providing reasonable accommodations to facilitate participation in our programs.

Please assist us in providing a positive experience for your child with special needs by notifying the camp supervisor (see page 1) of any special needs at the time of enrollment. Your confidentiality will be respected. The sooner we know about your special situation, the more time we have to make reasonable accommodations to improve your child's recreational experience and to ensure a smooth integration of your child into our camp program.

Individuals who are hearing impaired and want information regarding park district or M-NASR programs should call (847) 966-5522.

Sign-In & Out Procedures

Every camper must be signed in and out by the person dropping off and picking him/her up. We will not release a child to someone whose name is not on the authorized pick-up form. Parents will be asked to show a picture ID.

Insurance

The Skokie Park District does not provide individual Accident and Health Insurance.

Special Dietary Needs, Kosher/Food Allergies

Campers on restricted diets will gladly be accommodated. Parents will be advised of food selections in advance. Alternate choices will be provided whenever possible. Please indicate your special dietary needs on the registration form at the time of enrollment.

Illness Policy

Children should not be brought to camp with illnesses that are contagious or with fevers, diarrhea, vomiting, or unidentifiable rashes. Campers may not return to the program until they are fever and/or diarrhea free for 24 hours. Children who are not participating normally (who show extreme lethargy or fatigue) will be considered ill and sent home.

Medication Policy

Medication may be given to a child when authorized by the child's physician. All medication must remain in the original container indicating the child's name, type, and date of the prescribed medication, and amounts and time of dosage. A medication consent form must be signed by the child's parents and given to the Camp Director.

Everything Under the Sun

All camps are held outdoors daily with limited or no use of air-conditioned indoor facilities with the exception of Camp Art!, Circus Camp, Summer On Broadway, World Travelers, Little Travelers and Weber Indoor Sports Camp. During heat emergency days, children are rotated into indoor facilities/shade areas and given frequent water breaks.

Camp Attire

Children attending Park District camps should wear comfortable clothing and athletic shoes. Please keep in mind that our camps provide a relaxed, informal setting, therefore we recommend that you keep your valuable clothing and accessories at home. We also suggest that you label your child's belongings. Camp t-shirts will be distributed to each participant during the first week of programming.

Picture This

Registrants and participants permit the taking of photographs and video of themselves and their children during Skokie Park District activities for publication, as the Park District deems necessary.

It's Raining, It's Pouring

Camp will be held whether it rains or shines.

Late Pick-up Policy

Camp staff will supervise children who are left beyond the scheduled pick-up time until a parent or other authorized adult on the pick-up list arrives. However, late pick-ups will result in a fee. The first time a parent is late a fee will be charged at a rate of \$5 for the first 15 minutes and \$1 for every minute thereafter. The second time a parent is late, the charge will be \$10 for the first 15 minutes; the third time, the charge will be \$15 and will continue in \$5 increments for each occurrence. The dollar-per-minute charge will stay constant. Payment of the late fee is due at the time of pick-up. All measurements of time are to be according to the clock located at the camp.

Summer School

We have created a variety of camp programs that complement summer school. If your child plans on attending summer school we encourage you to consider Camp Art!, Terminal Park Camp, Camp Iwannago, or Middle School Sports Camp. Please note that campers attending summer school will miss scheduled field trips and swimming. Parents will need to make alternate arrangements for childcare on these program days.

Camp Staff

Our summer staff contribute to the success of our diverse camp programs! A qualified and experienced adult director supervises each camp daily. Counselors at each camp are a mixture of mature and enthusiastic college and high school students, parents, educators and coaches. All camp staff completes an extensive training program, which includes supervision and safety techniques, program development and CPR.

Summer Job Opportunities

Be a camp leader! If you are over the age of 16 and you are looking for a fun-filled opportunity as a camp leader, then the Skokie Park District has an opportunity for you.

The Skokie Park District is now accepting applications for Summer Day Camp Positions (Camp Directors, Counselors and Jr. Counselors). Duties include directing children in outdoor leisure games, sports, arts and crafts and other recreational activities.

As a camp leader, you can be a role model to campers at one of the many camps listed in this brochure. Applications may be picked-up at any one of the community centers. For more information call Lynn Seebacher, Human Resources Manager at (847) 933-4357.

Bus Transportation

Camp Bus Transportation

Bus transportation to many summer camps is available for residents of zip codes 60076, 60077 and 60203. Campers will be picked up directly in front of their home and then transported to the Devonshire Center bus hub and board a different bus to take them directly to their camp or home. Bus routes begin at 8:30 a.m. and campers arrive at camp between 9:30 and 9:40 a.m. In the afternoon, campers board the bus between 3:30 and 3:40 p.m. and arrive home no later than 4:30 p.m. Bus monitors for each bus are provided by the Park District. Bus routes and backpack tags are mailed to participants the week prior to the start of each session. To allow time to create the bus routes, please register by May 6 (June 10 for session 2). The fee includes morning and afternoon bus service for 4-week camps; discounts are not available for participants only needing morning, afternoon, or 2-week camp bus service. Registration for bus transportation will not be accepted after May 6 (June 10 for session 2).

Earth Adventures

Our Earth Adventures Camps are specialized programs designed to heighten a child's sense of relationship with the natural world and teach age-appropriate outdoor recreational skills. Each camp is supervised by a director and four college-aged leaders (a 1:8 leader to camper ratio) who involve the campers in captivating, highly structured daily activities. Though each camp is different in content, the Earth Adventures series aims to help campers feel capable and comfortable while journeying through the natural places on Earth. All campers swim twice weekly at one of the Park District pools.

Earth Explorers

Campers will explore the wildest places at Emily Oaks Nature Center and get to know the plants and animals that live in the area. Featuring animal expeditions, nature games, discovery parties, and savanna safaris, campers will also attend a presentation that features real hawks, reptiles, and other wild critters. Although Earth Explorers are not taught outdoor recreation skills, they are invited to share in cookout desserts prepared by the Earth Travelers and Rangers, and may accompany the older campers on canoe rides around our pond. Fee includes recreational swimming, field trips, a wildlife presentation, campfire snacks, beverages, and project supplies. Note: Although program content for the camp changes every year, the content is the same for Sessions 1 and 2. No camp July 4.

Earth Travelers

Your child will become an experienced Earth Traveler, learning to paddle a canoe, pitch a tent, build a fire, and cook a meal outdoors. Cookouts will be held weekly and a camp out at Emily Oaks is scheduled each session. Earth Travelers will also participate in fun activities that help them understand how living things interact in their natural communities and will play games that guide them in developing teamwork skills and good environmental habits. Fee includes recreational swimming, field trips, cookout supplies, canoeing instruction, one camp out, and beverages. Note: Although program content for the camp changes every year, the content is the same for Sessions 1 and 2. No camp July 4.

Earth Rangers

Like back country park rangers, Earth Rangers will find adventures off the beaten trail, while exploring wild places, near and far. Rangers will also learn advanced skills such as tying knots, lashing, how to use a compass, animal tracking, additional canoeing strokes, and camping. Weekly cookouts, a one-day off site canoe trip, and two camp outs—one at Emily Oaks and one at another at a state park—will all be part of the Earth Rangers experience. Rangers also have a responsibility to protect natural places, and will learn about local ecosystems and how to live more harmoniously with the earth. Fee includes recreational swimming, field trips, cookout supplies, canoeing instruction, two camp outs, a canoe trip, and beverages. Note: Although program content for the camp changes every year, the content is the same for Sessions 1 and 2. No camp July 4.

M-NASR Camp

Maine Niles Association of Special Recreation (M-NASR) provides a variety of camps for children and youth with special needs. M-NASR offers eight different camps for challenged individuals ages 3-21 years. A staff to participant ratio of 4 to 1 allows for individual attention, a structured environment and a safe and happy summer camp experience for everyone. Activities at camp are varied and may include arts and crafts, games, sports, swimming and field trips. All activities are designed to improve physical and social skills and provide a memorable summer for our campers. Complete camp information will be available in late February. If you have questions, call M-NASR at (847) 966-5522.

FUNdamental Fitness

Remember your parents telling you to "go play?" Your child will do just that by learning new games, meeting new friends, practicing creativity, and learning personal fitness basics in a safe and encouraging atmosphere. The Skokie Parks District's Certified Youth Fitness Specialist Jon Kahney has designed this specialty camp for kids, with a focus on childhood obesity, and healthy lifestyle and eating choices. New this year: three cooperative sessions with Kids Cooking Camp, where kids will learn kitchen safety, the basics of nutrition, and how to make healthy snacks. Fees include all off-site field trips, lunch for three camp days per session, food for the cooking portion of camp, and program t-shirts. Please provide your camper with a healthy sack lunch on non-cooking days. A camp schedule will be provided to parents. No camp July 4.

Counselor In Training

Campers will become mature, self-confident, reliable, motivated young adults, and learn how to work with young campers. The CIT will register for a specific camp and will work with that camp four days a week. On Thursdays, CITs will report to the Oakton Community Center for team building activities or for a CIT field trip (see schedule below). Directors and Program Leaders will observe CITs frequently during each session, evaluating them at session's end.

Maximum of 3 participants per section. No camp July 4.

CITs are required to wear a t-shirt (provided by the park district), khaki shorts, and gym shoes every day. On swim days a one piece bathing suit is required for girls.

After registration, all participants will be contacted to schedule an interview (May for Session I, June for Session II). You **must** be registered in order to obtain an interview.

Mandatory Orientations:

- Session I: June 6, 4–6 p.m., Oakton Community Center
- Session II: July 2, 4–6 p.m., Oakton Community Center

Site specific Camp Directors will contact their CITs with the time and date of a separate camp-specific orientation. Bus service not available for Happy Campers.

Camp Registration Information

Resident Camp Registration begins at 12 p.m. on 1/27.
Non-Resident Camp Registration begins 2/22.

Walk In Registration

Walk-in resident registration begins at 12 p.m. on January 27 at the Weber Leisure Center, Oakton Community Center, Emily Oaks Nature Center and Devonshire Cultural Center. Registration is on a first-come, first-served basis. We will process registration while you wait so we can provide immediate confirmation of program enrollment with a receipt. Please check for accuracy and notify us immediately with any discrepancies.

Mail-In & Fax Registration

Mail-in and fax registration is randomly processed beginning January 28 for residents and February 23 for non-residents. Mail or fax completed forms to:

Skokie Park District
9300 Weber Park Place
Skokie, IL 60077
Fax: (847) 763-2025

You will receive a confirmation receipt by mail; please check for accuracy and notify us immediately with any discrepancies.

Online Registration

In order to register on-line you must be pre-registered in the Park District's registration system and know your login and password. Please establish a household with the Park District prior to camp registration (see below). If you do not remember your login and/or password call the Park District at (847) 674-1500; a Customer Service Representative will assist you. You can also visit the registration page at SkokieParks.org and click 'Quick links Forgotten Password?'

Establishing a Household in person

Skokie Residents

When establishing a household in person at any Park District facility please bring proof of residency as explained at right.

Non-residents

Non-residents may establish a household by walking into any facility. No proof of residency is required.

Establishing a Household online

Skokie Residents

It is extremely important to establish your household on-line at least two business days prior to resident registration on January 27. When you enroll a new household on the web your household is automatically flagged as a non-resident household until you show proof of residency, in person, at any Skokie Park District facility. If you wait until the resident registration date to establish your household you will not be allowed to register on-line because your household will be flagged as a non-resident even if you have entered a valid Skokie address. (Non-residents are not able to enroll in camp until February 22.)

Non-residents

It is important to establish your household on-line with the Park District prior to non-resident camp registration on February 22. Although all new households established on-line are immediately flagged as non-resident households, new accounts are processed the next business day. If you wait to establish your household until registration day you will not be allowed to register online.

Proof of Residency

Acceptable proof of residency includes: valid driver's license, utility bill or property tax bill. The individual's primary residence must be within the Skokie Park District boundaries (which may vary from the Village of Skokie's boundaries – check your property tax bills). Any owner of real estate within the boundaries paying taxes to the Skokie Park District will be considered a resident, as will his immediate family. Immediate family is defined as husband, wife, (or life partner) and children who reside at the real estate owner's residence. Residency rates for Skokie Park District camp programs apply to residents of zip codes 60076, 60077, 60203 and for families not living or paying taxes to the Skokie Park District that attend Skokie School District 69. However, District 69 families not living or paying taxes to the Skokie Park District cannot register until the non-resident registration date of February 22.

Waiver Required

For insurance purposes, Park District programs and activities require a signed waiver. Please sign the waiver section on the registration form or receipt. Patrons will not be able to participate in classes or programs if the waiver is not signed.

Proof of Age

Please send a photocopy of the child's birth certificate with the registration, if proof of age is required (children ages 3 to 5).

Household Balance

Prior to registering for Camp 2013, all household balances need to be paid in full. Inquiries regarding your household balance can be referred to a Customer Service Representative at (847) 674-1500 (Monday-Friday, 9 a.m.-5 p.m.).

Payment Methods

The Skokie Park District accepts the following as a method of payment:

Cash

Cash is gladly accepted for walk-in registrations.

Checks

With the proper identification we are happy to accept local checks made payable to the Skokie Park District. No second party or co-signed checks are accepted. Checks that are returned from the bank for any reason will incur an additional \$25 charge.

Credit Cards

We accept Visa, MasterCard and Discover.

Payment Options

Payment can be made through the following methods:

Full-Payment

Full payment includes \$50 deposit. Full payment is required as follows:

- For all new registrations on or after May 1.
- For the following programs: Bus Transportation, Tennis Camps, Hot Shots Sports, Summer Sizzling Science/Engineering, Jr. Golf Camp, Historical Explorers, and Summer's End.

Auto-Debit Installment Plan—A \$50 deposit for each child for each camp section is due at the time of registration. One half of the remaining fee is auto-debited on April 9 and the balance is auto-debited May 9. In order for your camp registration to be finalized, you must complete the payment agreement form.

After being set up for Auto-Debit, if you prefer to pre-pay and avoid your auto-debit being processed, you must make payment by the following dates:
Regarding April 9 Auto-Debit: Pre-Pay by April 1.
Regarding May 9 Auto-Debit: Pre-Pay by May 1.

Transfer Policy

Prior to the first day of camp (camp begins on June 10), transfers from one camp to another will be accommodated by completing a modification form at any park district facility. After June 10, transfer requests must be approved by the Camp Supervisor.

Cancellation Policy

The \$50 camp deposits are refundable if the request is made in writing on or before May 1 for Session 1 and June 1 for Session 2. Cancellations requested after those dates and prior to the first day of camp will forfeit the \$50 deposit. All cancellation requests made on or after the first day of each session (June 10 First Session & July 8 Second Session) will be pro-rated per the camp cancellation policy. (See schedule below.)

In order to process your request, we ask you to complete a Modification form and present it to a Customer Service Representative. Any credit due from a refund will be first applied to any household balance that exists. All refund checks are processed within two weeks of receipt of the original request.
