Policies & Safety Rules

Lifeguards are on duty to enforce pool rules and respond to emergencies. Parents/guardians should supervise their children.

Supervision ratios:

For children age 5 and younger: One responsible individual, age 16 or older, for every five children

For children age 6-10: One responsible individual, age 16 or older, for every ten children

Coast Guard Approved life jackets are permitted. No other inflatables or floatation devices are allowed. Life jackets may not be worn on water slides or the diving board. **Lifejackets are not a substitute for adult supervision.**

We will allow you to access the pool deck before your reservation begins, however no one may enter the water prior to your scheduled start time. We will make an announcement to clear the pool at the end of your reservation; you will have 15 minutes to clean up and exit the facility after your reservation ends.

No alcohol, glass, or open flame is allowed. We do not have refrigeration/freezer space available. Food packages are available through our concession stand: call (847) 676-2433 or email info@rent-a-chef-inc.com for more info. For Private Rentals, you may bring outside food into the facility.

Failure to adhere to safety rules, or repeated violations of pool rules, may result in the cancellation of your reservation.

Cancellations & Refunds

All parts of our facilities are completely outdoors and exposed to the elements. In the event of rain or low temperatures, we will contact you to determine how you would like to proceed; if we can, we will go ahead with the reservation. Otherwise, we can try to reschedule, or issue a refund. No refunds will be issued due to weather after the first hour of a reservation. Refunds can be returned to the original credit card used to purchase the reservation, or issued via check to the party host.
