**Special
offer!**

Sign up a single skater for two of the same class level on different days and receive 50% off the second class (must be main curriculum classes, Snowplow Sam 1 - Gold). This offer is only valid prior to the start of the first day of class.

Pre Free Skate through Gold

Pre Free Skate through Gold level students (ages 6-19) must register according to the last Compulsory test level passed. Enroll one class higher than the last test passed, unless approved by the skating director. If in doubt, register for the class your child was in for fall 2014; we will advance your child when they are tested. Remember only those skaters registered in classes are permitted to perform in the Skatium's annual ice show. Also, only skaters registered in Free Skate 6 and higher who are registered for the fall 2014, winter 2014 and spring 2015 will be permitted to tryout for a solo in the 2015 ice show.

Skaters will not be admitted into the next higher class without having been tested by a Skatium class teacher.

Skaters who have passed USFSA Free Skate 6 must register for the Bronze level. The class level Instructor will then determine which skaters should be placed in the Silver or Gold Classes. Selection will be based on skill level.

Bronze, Silver and Gold registrants will need to demonstrate the class skills from their last test level on the first day of class to certify their ability to participate in a high level class. Skaters who do not meet the requirements for the class will be placed in the appropriate level.

Moves In The Field -

HIGHLY RECOMMENDED to all Skaters Pre Free Skate and Higher

Moves In The Field (MIF) emphasize basic skating skill and edge control. In the context of a competitive program, 'moves in the field' include spirals, spread eagles, Ina Bauers, hydroblading, and similar extended edge moves.

U.S. Figure Skating requires each skater to pass a "Moves in the Field" test, as well as a free skating test, in order to qualify for the various levels of competition. Skaters must perform each field move in the specified pattern while demonstrating adequate power, quickness, edge control, and extension throughout the pattern to be accepted into the level. This class will prepare skaters to take their Pre Preliminary, Preliminary, Pre Juvenile and or Juvenile Moves In The Field Test through the Chicago Figure Skating Club.

HOCKEY

The Skokie Park District hockey program is divided into instructional classes & leagues.

Instructional Classes are broken into 3 divisions. The first division is the Future Flyers program for those who have yet to play organized hockey. The second division of classes is for the League players already on a team. The third division is the Adult Instructional Program. All classes are designed to improve your base of knowledge & skill. We offer our programs to all ages & abilities.

For league play, we offer Youth House League, Adult 30+ No-Check & Adult Recreational. Youth House League is for the 5-17 year olds who have taken classes or acquired the skills to play on an organized team. The Adult 30+ & Adult Recreational Leagues are directed at a specific level / age of player. The 30+ League is for players who are 30 years of age and older. The Recreational League is for Adult Novice players or it has been awhile since you last played. The 30+ No-Check League is team entry only. The Recreational & Youth House Leagues are for individual player sign up only.

We hope you enjoy your hockey experience in Skokie. We look forward to seeing you in a class or league soon. If you have any additional questions please contact Hockey Director Steve Glickman at (847) 674-1500, ext. 2926 or email Steve at steveg@skokieparks.org.
