About Devonshire Preschool

Skokie's Devonshire Preschool is an
arts-focused program offering state-
of-the-art classrooms for children ages
two to four.

We implement a play-based,
developmentally-appropriate
curriculum that fosters each child's
social, emotional, language, physical
and intellectual growth. Teachers with
early childhood education degrees plan
activities around a weekly theme.

Afternoon enrichment classes are
offered as a discounted bundle with
the preschool program.
