

My Discoveries

My Animal Signs Guidebook

Name: _____

Animal Signs

Animals leave traces all around us.
Sometimes a story can be told with
the clues that animals leave behind.

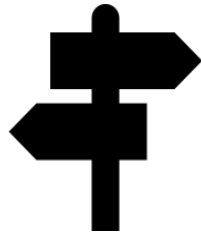

Examples of animal signs:

- Trails
- Homes
- Tracks
- Scat
- Other signs

This book will guide you as we
discovery the stories that
animals tell us!

Other signs

Signs of eating:

- Human garbage
- Ripped or smashed plants
- Parts of an animal

Other signs:

- Feather or fur
- Spider web
- Cocoon
- Many more!

Trails

Some animals leave trails behind as they walk. Animals often take the same trail many times. Deer make trails that are easy to find in grass or snow.
