Section 4.07. Building Use.

No Person shall use any District building or Facility for an event or activity which is not conducted or sponsored by the District unless a Permit therefor has first been obtained from the District in accordance with Chapter V of this Ordinance and/or a license agreement has been executed with the District. All Persons using District buildings or Facilities shall comply with the provisions of

this Ordinance and with the provisions and conditions of the Permit and/or license agreement and with all other applicable policies, rules, and regulations of the District regarding the use of District Property.

CHAPTER V - PERMITS AND OTHER AUTHORITY

Section 5.01. Permits.

(a) Permits may be granted upon proper application and approval where the applicable section of this Ordinance or any other District ordinance, policy, rule, or regulation provides for the issuing of a Permit in order to engage in a particular activity.

(b) Every Person requesting a Permit shall complete and file a written application with the Director or his designee, on forms provided by the District, and pay applicable application fees at the District's administrative offices located at 9300 Weber Park Place, Skokie, Illinois. When received, the application shall be dated and stamped as received and a receipt issued to the applicant.

(c) Except as provided in subsection 5.01(c)(1), applications for Permits must be received by the District at least one (1) week prior to the activity for which a Permit is sought.

(1) This application deadline shall not apply to applications for Permits under sections 2.02, 2.09, 2.32 and any other section of this Ordinance or any other District ordinance, rule, or regulation not involving the exercise of First Amendment rights. For such Permits, applications must be received by the District at least three (3) weeks prior to the requested activity.

(d) Except as provided in subsection 5.01(d)(6), the District shall issue the Permit without unreasonable delay unless:

- (1) The proposed activity violates any federal, state, local, or District law, rule, ordinance, or regulation; or,
- (2) A prior application for a Permit for the same date, time, and location has been or will be granted and the activities authorized by that Permit do not reasonably allow multiple occupancy of that particular area; or,
- (3) The proposed activity is of such a nature that it cannot reasonably be accommodated in the particular location applied for, considering, without limitation, the likelihood of such things as damage to park resources or Facilities, damage to an environmentally sensitive or protected area's ecosystem, impairment of a protected area's atmosphere of peace and tranquility, unreasonable interference with District functions, buildings, Facilities, operations, programs or activities, unavailability of District staff to oversee, or unreasonable interference with the use or purpose of the District Property applied for; or,
- (4) The proposed activity would substantially impair the operation or use of Facilities or services of District concessionaires or contractors; or,
- (5) The proposed activity would so dominate the use of District Property as to preclude other Persons from using and enjoying the park.

(6) This subsection 5.01(d) is not applicable to applications for commercial activity Permits under sections 2.09 and 2.16 of this Ordinance and Permits for alcohol under section 2.02. The District reserves the right to exercise its discretion in issuing Permits under sections 2.02, 2.09 and 2.16.

(e) The District shall have at least twenty-four (24) hours after receiving a permit application to review the application. However, for applications under section 2.17 of this Ordinance, the District shall have at least forty-eight (48) hours after receiving an application to review the application. For applications under sections 2.02, 2.09, 2.32 and any other section of this Ordinance or any other District ordinance, rule, or regulation not involving the exercise of First Amendment rights, the District shall have at least two (2) weeks after receiving a permit application to review the application. However, the District reserves the right to take additional time to review any application. If the District determines that it will exercise this right, it shall notify the applicant within twenty-four (24) hours after the District's receipt of the application.

(f) If the application is approved, the District shall issue a written Permit to the applicant. If the application is denied, the District shall issue to the applicant written reasons for denying the application.

(g) If an application is denied on the basis of a scheduling conflict or inappropriateness of the location, duration, or time of the activity, the District will make a reasonable effort to arrange an alternative that is acceptable to all parties if requested by the applicant. If an application under sections 2.08, 2.25 or 2.35 is denied, or the applicant is dissatisfied with such Permit as issued, he may appeal the decision to the Board within (30) days or at the next Board meeting after the decision is rendered. If the Board rejects the appeal after full review, or if time for full review is not available, the applicant may appeal the decision to the appropriate state or federal court. All other decisions on the issuance of Permits by the District are final.

(h) Any Permit granted by the District may contain lawful prerequisites to the issuing of the Permit and restrictions on the conduct of the permitted activity including without limitation: general liability insurance coverage; an agreement to fully indemnify and hold the District harmless from any liability or costs resulting from the activity; a requirement that the Persons involved in the activity obey or comply with all federal, state, local, and District laws, rules, and regulations; time, duration, and location restrictions; restoration deposit; a written agreement by the applicant to fully restore any District Property soiled or damaged by the activity; and, any reasonable restriction necessary for the efficient and orderly contemporaneous administration of the activity, other activities with a Permit, and regular District uses, functions, programs, and activities.

(i) Any Person holding a valid Permit issued by the District for use of District Property shall take precedence for use of that District Property over any Person other than the District.

(j) The District may make necessary changes or place necessary additional restrictions on any Permit after it has been issued.

(k) Violation of the terms and conditions associated with the Permit may result in the suspension or revocation of the Permit.

(1) Except as provided in subsections 5.01(1)(1) (2), no Permit shall be issued for a period in excess of seven (7) consecutive days. A Permit may be extended for like periods of time upon a new application unless another Person has requested use of the same location and multiple use of that location is not reasonably possible.

(1) This subsection shall not apply to Permits granted under section 2.09 of this Ordinance. For Permits granted under section 2.09, the District shall determine the length of time that a Permit will be valid.

(2) This subsection shall not apply to Permits granted under section 2.35 of this Ordinance for news racks or newsstands. Such Permits granted under section 2.35 shall be issued for a period of six (6) months.

Section 5.02. Insurance and Hold Harmless Agreement.

(a) Except as provided in subsection 5.02(a)(1), every applicant for a Permit of every kind shall acquire general liability insurance to protect himself and the District from liability resulting from his use of District Property and provide proof of such insurance to the District before the District will issue a Permit to an otherwise valid applicant. The District must be named on such policy as additional insured. Where possible, an applicant may acquire a rider to the District's insurance policy at the applicant's cost and expense. Applicants should contact the District's administrative office for more information.

(1) For activities involving the exercise of First Amendment rights, including without limitation parades, public gatherings, speeches and rallies, this requirement may be waived by the District if the applicant can demonstrate that he or his organization cannot procure general liability insurance or that the cost of procuring such insurance or acquiring a rider to the District's insurance policy is prohibitive.

(b) Every applicant must execute and deliver to the Park District an agreement to indemnify and hold the District harmless from legal liability, property damage or injury to persons caused by the negligent or unlawful acts of the applicant or any member, volunteer, employee, agent, participant, or other Person associated with the applicant or his group or organization.

Section 5.03. Restoration Deposit.

(a) A restoration deposit may be required for any Permit. The District shall refund the deposit if the Person responsible for the activity cleans any refuse caused or left by the activity or the activity's participants and restores District Property to the condition it was in prior to the activity to the District's satisfaction. If the District is required to clean up or restore District Property after the activity, the Person responsible for the activity shall reimburse the District for all costs and expenses associated with the clean-up and restoration. The cost of the clean-up and restoration shall be taken from the restoration deposit. If there are any funds remaining after the clean-up and restoration costs have been subtracted, they shall be returned to the appropriate Person. If the costs and expenses for the clean-up and restoration exceed the amount of the restoration deposit, the District reserves the right to pursue any and all legal options.

(b) If the restoration deposit would create a financial hardship for the applicant which the applicant can so demonstrate, the District may accept a written agreement to clean up and restore District Property after the activity. If the applicant does not satisfactorily perform according to the agreement, the District reserves the right to pursue any and all legal options.

Section 5.04. Other Authority. Activities otherwise prohibited under this Ordinance, or any other District ordinance, policy, rule, or regulation may be conducted or engaged in by a Person, his agents and/or employees, if done in strict conformance with the provisions of an agreement with the District which has been duly authorized by the Board.

CHAPTER VI - ENFORCEMENT

Section 6.01. Police/Security Force.

(a) The District Police Force shall be the conservators of the peace on District Property and shall be responsible for the enforcement of all state, local, and District laws, rules, and regulations on District Property.

(b) The members of the District Police Force shall have the authority to eject from District Property, arrest, or issue citations to any Person who violates any applicable state, local, or District law, rule, or regulation on District Property. All other enforcement will be within the authority of the Skokie Police Department.

Section 6.02. Rules to be Obeyed. No Person shall violate or disobey any provision of this Ordinance or any other District ordinance, policy, rule, or regulation regulating conduct or activities on District Property even though the same may not have been posted. No Person shall violate or disobey the directions or instructions contained in any notice or sign posted by the District relating to the use of District Property, or the directions or instructions of any member of the District Police Force seeking to enforce compliance with state, local or District laws, rules, or regulations or any employee or officer of the District seeking to enforce District laws, rules, or regulations.

Section 6.03. Parties to Ordinance Violation.

(a) Every Person who commits, attempts to commit, conspires to commit, or aids or abets in the commission of any act in violation of this Ordinance or other ordinance, rule or regulation of the District, as a principal, agent, or accessory, shall be guilty of such offense, and every Person who falsely, fraudulently, forcibly or willfully induces, causes, coerces, requires, permits, or directs another to violate any provision of this Ordinance is likewise guilty of such offense.

(b) Any Person who is the owner, registered owner, or Person in control of any animal, Vehicle or other property of any kind brought, placed, parked, or allowed to remain on District Property in violation of this Ordinance or other District ordinance, rule, or regulation, shall be deemed prima facie responsible for such violation and shall be subject to the penalties provided herein.

(c) It is unlawful for the owner or any other Person employing or otherwise directing the operator of any Vehicle, to request or knowingly permit operation of any such Vehicle on District Property in any manner contrary to this Ordinance.

CHAPTER VII - PENALTIES

Section 7.01. Suspension. Any Person violating or disobeying any section or part of this Ordinance, as may be amended from time to time, or any other District ordinance, policy, rule, or regulation (collectively, "District Rule(s)"), may have his admission rights to District Property suspended in accordance with this Section 7.01, and may be subject to any other penalties specified in this Ordinance.

(a) Procedure for Suspension of Rights

In the event that: (i) a Person violates any District Rule, and (ii) the Director or his/her designee (collectively referred to as the "Director" for purposes of this Section 7.01) determines the Person's continued presence on District Property creates a threat to the public's health, safety or welfare while on District Property, including but not limited to crimes of violence against persons or property, or when the behavior is enough to alarm or disturb a reasonable person, the Director may verbally order the Person to leave District Property and to refrain from usage of all District Property until further order of the Director in accordance with the following suspension policy.

(1) Notice

Within 72 hours after the order to leave District Property, the District will provide the Person written notice by registered or certified mail (1st Notice), informing the Person of:

- a. The nature of the offense;
- b. The threat to the public's health, safety, or welfare while on District Property caused by the Person's offense, including but not limited to crimes of violence against persons or property, or when the behavior is enough to alarm or disturb a reasonable person, and related conduct;
- c. The intended suspension period for the offense;
- d. An explanation of the facts that form the basis of the proposed suspension;
- e. Instructions for setting a date and time for a meeting with the Director and the Superintendent of Recreation to discuss the offense and to provide the Person an opportunity to present his or her version of the incident; and
- f. Copy of the procedure to appeal to Board to conduct a Suspension Hearing in accordance with Section 7.01(a)(4)-(7); and
- g. That the Person is not to return to any District Property until such a meeting as aforesaid occurs, OR if found doing so, he/she may be arrested and/or prosecuted for "trespass."

If a Person who has been notified in accordance with Section 7.01(a) is observed on District Property, the Person may be subject to arrest for trespass.

(2) Meeting

At the meeting with the Director and the Superintendent of Recreation, items (a)-(f) above will be discussed on an informal basis. The specific offense(s), evidence, and suspension, if any, will also be discussed. The Person will also have an opportunity to present his or her version of the incident at this meeting. In the event the Person does not comply with Section 7.01(a)(1)(e) and fails to set a date and time for a meeting within ten (10) days after receipt of the 1st Notice, the intended suspension period set forth in the 1st Notice shall immediately become effective.

(3) Second Notice

Within forty-eight (48) hours after the meeting with the Director and Superintendent of Recreation, the District shall send written notice (“2nd Notice”) to the Person stating (a) the suspension, if any, and any conditions that the Person must meet to prevent further risk to the public and to regain use of District Property and, (b) the Person’s right to appeal the suspension, as set forth below.

(4) Appeal to Board

If the Person objects to the suspension imposed or wishes to notify the District of extenuating circumstances not taken into consideration by the Director and the Superintendent of Recreation, or if the Person believes he or she is not guilty of the offense as charged, the Person may request a hearing before the Board. The Person’s request must be in writing and must be filed with the Board Secretary or his/her designee or the Board President within 10 days after the date of the 2nd Notice and should include the following information: a) the Person’s contact information, including address, telephone number and email address; b) date of issuance of the 1st Notice and location; c) reason for being on District Property at the time of the incident; d) any other information Person wishes to be considered; and e) whether a hearing is requested. In the event the Person appeals the suspension under this Section to the Board: a) the suspension shall continue until the Board makes a final decision; and b) the Director shall promptly transmit to the Board a full report in writing of the facts related to the suspension, the suspension imposed, and the reasons for the suspension imposed.

(5) Board Hearing

In the event the Person requests a hearing, the Board shall meet with the Person, Director and Superintendent of Recreation within 10 days of the date on which such appeal notice is given to the Secretary of the Board (“Suspension Hearing”). The Person will be notified in writing as to the date and time set for the Suspension Hearing. The Suspension Hearing shall be conducted in an open meeting in accordance with the Open Meetings Act (5 ILCS 120/1 *et seq.*) (“OMA”) unless an exemption to hold the Suspension Hearing in closed session pursuant to OMA applies based on the nature of the offense. At the Suspension Hearing, the Board shall receive testimony in accordance with the standard Illinois rules of evidence, presented by all interested parties and shall render a fair and impartial determination

in accordance with its independent findings regarding the facts and the applicable standards for review set forth in this Section.

(6) Standard for Determining Suspension and Suspension Duration

If the Board finds and determines from its independent review of the facts and circumstances presented at the Suspension Hearing that the Person or the Person's conduct represents a continuing material threat to the public's health, safety, or welfare while on District Property, it shall uphold the suspension imposed by the Director.

The duration of any suspension from District Property, and the nature and scope of the suspension, shall be determined based on the Person's conduct causing the violation, the nature of the offense, whether it is the Person's first, second, third or greater offense, and any other facts or circumstances that demonstrate whether or not the Person remains a threat to the public's health, safety, or welfare while on District Property. A Person may be suspended by the Board for not less than three (3) months and not more than twenty-four (24) months unless the suspension is extended as set forth in Section 7.01.7 below. A Person's suspension may be limited to use of, or access to, specific District Facilities, programs, or portions of District Property. Once a Person has accumulated three (3) or more suspensions as a result of violations of any of the District Rules within a 12-month period, all penalties for violations thereafter will be assigned as a third offense violation.

(7) Notice of Finding

If, in the opinion of the Director, the Person remains a threat to the public's health, safety or welfare while on District Property at the end of any suspension period authorized hereunder, the Director may request a new hearing before the Board to extend said suspension the "Suspension Extension Hearing"). The Notice, hearing, standard for review and decision process shall be governed by the same rules as set forth above for the Board hearing (Sections 7.01.3-6), provided that the Director shall give written notice to the Person and to the Board ("Suspension Extension Hearing Notice") not less than 30 days prior to the Suspension Extension Hearing. Upon a finding by the Board that the Person remains a material threat to the public's health safety or welfare while on District Property, the Board may extend the suspension for an additional period of not more than five (5) years.

Section 7.02. Fine. In addition to any other penalty imposed on a Person in accordance with this Ordinance, any Person violating or disobeying any section or part of this Ordinance, or any other District ordinance, policy, rule, or regulation, may, upon conviction, be fined not more than \$1,000.00 for each offense.

Section 7.03. Restitution. In addition to, or instead of, the suspension or fines provided for in sections 7.01 and 7.02 of this Ordinance, any Person violating or disobeying any section or part of this Ordinance, or any other federal, state, local, or District law, rule, or regulation, may be required to make restitution for damage resulting from such violation(s). The provisions of the

Illinois Parental Responsibility Law (740 ILCS 115/1 et seq.) are specifically incorporated in this Ordinance by reference for purposes of this section.

Section 7.04. Seizure/Removal/Impoundment of Property. Any property, substance, or thing brought into, utilized, placed, or left on District Property in violation of this Ordinance, or any other District ordinance, rule, or regulation may be removed, seized, and destroyed in the case of property and substances referred to in sections 2.02, 2.03, 2.10 and 2.40, or seized and impounded in the case of any other property, substance, or thing (including without limitation Vehicles and bicycles). Property so impounded shall not be returned to the owner(s) thereof until such Person(s) provides the District with acceptable proof or evidence of ownership and until such Person(s) has reimbursed the District in full for all costs and expenses to the District of such impoundment including without limitation any removal and storage charges. Property not claimed by the rightful owner(s) thereof within sixty (60) days after such impoundment may be sold by the District which shall be entitled to the entire proceeds thereof, or otherwise disposed of. Any motor Vehicles towed and/or impounded shall be disposed of according to the applicable laws of the State of Illinois.

Section 7.05. Non-Exclusivity of Penalties. The penalties provided for in this Chapter 7 are in addition to and not exclusive of any other remedies available to the District as provided by applicable law. The penalties provided for in sections 7.01 and 7.02 may be imposed or assessed in addition to and not necessarily in lieu of the penalties provided for in section 7.03, and vice versa.

CHAPTER VIII - REPEAL

All District ordinances, resolutions, policies, rules and regulations or parts thereof in conflict or inconsistent with any of the provisions of this Ordinance, including, without limitation, “An Ordinance Regulating the Use of the Parks and Property Owned and Controlled by the Skokie Park District,” adopted September 26, 2008, and amended thereafter, are hereby repealed.

CHAPTER IX - SEVERABILITY
