Denial of park district assistance does NOT affect your eligibility for Niles Township assistance, but you MUST apply first.
- Child(ren) must be officially registered in a Park District Camp Program which means that a deposit had been made to the desired Park District.
- Please email supporting documents listed on the last page to socialworker@nilestowndhipgov.com If you are having difficulties with sending the documents, please contact our Social Services Assistance, India Alexander to schedule an appointment at 847-673-9300.
- If necessary, during a scheduled appointment you will need to submit the completed Niles Township Application and all required supporting documents at that time.
- **Applications will only be approved once all documents have been received on a first come first serve basis. Applications will be approved April 6-10, 2026.**
