1.0 INTRODUCTION

WELCOME TO THE SKOKIE PARK DISTRICT SUMMER CAMPS! We pride ourselves in giving our campers the best experience possible. To ensure this, we have the following policies and procedures in place to make camp a fun and safe experience for all involved.

1.1 ACA ACCREDITATION

The Skokie Park District is one of a few park districts in the nation accredited by the American Camping Association (ACA). This nationally recognized program, developed exclusively for the camp industry, focuses on program quality, health, and safety issues, and requires us to review every aspect of our day camp operation. We have voluntarily submitted to this independent audit by camp experts and have earned this mark of distinction.

1.2 VISION

The Skokie Park District envisions a community where all its residents enjoy a high quality of life through leisure time pursuits, beautiful open spaces, and first-rate facilities.

1.3 MISSION

Mission

The Skokie Park District will realize its vision through teamwork, community partnerships, sound fiscal management, and creativity in every area of its operation.

1.4 CORE VALUES

The Skokie Park District will fulfill its mission through:

- Commitment
- Service
- Integrity
- Openness
- Innovation
- Environmental Stewardship
- Inclusiveness

1.5 MINIMUM AGE REQUIREMENT OF STAFF

At least 80% of staff at each program site will be 18 years of age or older. Additionally, staff will be a minimum of two years older than the campers that are being supervised.

1.6 COUNSELOR-IN-TRAINING AND APPRENTICE PROGRAM

Summer camps may have Counselors-In-Training or Apprentices, dependent on the decision of the camp supervisor. Counselors-in-Training (CITs) and Apprentices are campers with increased responsibility, who are learning how to become counselors in the future. CITs and Apprentices are under the direction of their camp's director.

Because CITs and Apprentices are still considered campers, they will never be left alone with campers; the Camp Director or a Camp Program Leader must always be present with all campers.

CITs have two levels; Level I is between age 12 and 13 years old and Level II is between 14 and 15 years old. Apprentices range in age from 13 to 15 years old and vary dependent upon their camp's requirements.

1.7 GENERAL CAMP PROGRAM GOALS

- To provide every camper with a safe, fun, and memorable camp experience that helps develop a sense of self-respect, respect for others, cooperation, a sense of accomplishment, sportsmanship, and an appreciation of nature.
- To help each camper develop a positive self-concept by giving the camper an opportunity to interact with campers of all different backgrounds and lifestyles and develop a sense of curiosity about the world and an enthusiasm for learning.
- To provide opportunities for campers to develop emerging social, cognitive, and self-help skills by giving the campers an opportunity to establish relationships with other campers and adults, make choices and be able to accept the outcome of their choices, explore, create, and express themselves at their own levels.
- To provide for the physical and emotional well-being of each camper by creating an atmosphere of warmth, safety, and acceptance and to provide an environment that is stimulating and allows the camper to feel a sense of belonging.
- To meet parents' expectations for the health, safety, welfare, and education of their campers.
- To establish a climate of teamwork among staff through open communication, mutual respect, and a willingness to share in the camp experience. Camp is for campers, but it is also an excellent opportunity for staff to grow and learn more about themselves.
- To maintain the high quality of the camp program through excellent instruction in activities, a mixture of traditional and innovative programming, the teaching of fun games, an emphasis on appreciation of the environment and an emphasis on camper growth.

2.0 POLICIES AND PROCEDURES

2.1 ARRIVALS AND DEPARTURES

Campers should be dropped off no earlier than the camp start time and picked up no later than the camp ending time, unless otherwise noted. Parents/Guardians are responsible for signing in their camper daily when they are dropped off and signing them out when they are picked up. Camp staff will be waiting at the assigned sign-in and sign-out location.

The safety of all campers is our number one concern, and it is crucial that each camper is accounted for daily. Parents and guardians will be required to show a picture ID to

staff during pick-up the first week of the program or if picking up for the first time. Your patience during the sign-in and sign-out procedure is appreciated.

For children ages 8 and older, parents or guardians may submit a written note in advance authorizing their child to sign him/herself in or out daily. Children under 8 years of age must be signed in and out by a parent/guardian, or other individual authorized in writing to do so by a parent/guardian.

Staff members are busy preparing for daily camp activities before the campers arrive and after they leave each day. The planning time is valuable to ensure a positive and organized camp experience for all participants. *Therefore, please be advised that the camp staff cannot be responsible for supervising campers who arrive before the scheduled start time or who remain after the scheduled end time.* The Skokie Park District does not assume responsibility for campers arriving early or remaining on site outside of established beginning and ending times for any program. Repeated late pick-ups may result in late fees or dismissal from the camp.

Drop-off/ Pick-up Policy

Drop-off and Pick-up procedures will vary dependent upon camp location. Please see individual camp welcome letters for details on drop-off and pick-up procedures.

2.2 WRITTEN NOTES

A **written** note with a parent or guardian's signature is required ***in advance***, for the safety of your camper, any time your camper will be allowed to:

- Leave camp early with you, a relative, or a friend.
- Be picked up by anyone other than you (the parent/guardian) or anyone listed on the Camper Information Form.
- Sign him/herself in or out, if 8 years old or older.

If your camper will be allowed to do any of the things listed above throughout the camp session, you may write one written note in advance that can be kept on file with the Camp Director. Please include your child's name, the date, and your signature on all notes.

Also, if there are any changes regarding your home, work, or emergency phone numbers, e-mail address, camper pick-up information, or any additional contact information, please notify the Camp Director or Supervisor.

2.3 ABSENCES, LATE ARRIVALS & EARLY PICK-UPS

If your camper will be late in arriving or picked up early from camp for any reason, please call the Camp Director/Supervisor or camp central at the facility your camper is at that morning at the phone number provided in your Camp Welcome Letter. If you are calling before the start of the workday, please leave a recorded message. An e-mail to the camp director or supervisor may be an acceptable means of communication, if so, indicated by the Camp Supervisor or Director. This is very important so that all campers can be accounted for each day.

If we do not hear from you via Camp Central, e-mail or written note and the Director reports your camper absent, staff will make every attempt to contact you by phone.

Please help the staff avoid unnecessary phone calls by reporting your camper's absence or late arrival in the morning.

Please be advised that the proper sign-in and sign-out procedures must be followed any time a camper will be arriving late or leaving early. Please make arrangements with staff ahead of time to coordinate where to drop off or pick-up.

2.4 LATE PICK-UP POLICY

Camp staff will supervise children who are left beyond the scheduled pick-up time until a parent or another authorized adult on the pick-up list arrives. However, late pick-ups will result in a fee. The parent/guardian will receive one verbal reminder of the late pick-up policy. After that, the second time a parent is late a fee will be charged at a rate of \$5.00 for the first 15 minutes and \$1.00 for every minute thereafter. The third time a parent is late, the charge will be \$10.00 for the first 15 minutes; the fourth time, the charge will be \$15.00 and will continue in \$5.00 increments for each occurrence. The dollar-per-minute charge will stay constant. Payment of the late fee is due at the time of pick-up. All measurements of time are to be according to the clock located at the camp.

2.5 COMMUNICATION

On-going and open communication between parents/guardians is essential for a positive experience for each camper. Parents/guardians are encouraged to discuss questions and concerns with the Camp Director. Should there be something your camper is experiencing at camp or in their personal life which may reflect in their behavior or attitude towards camp, please inform a staff member of the situation.

If you need to contact your camper at camp for any reason, you may contact the Camp Director, as detailed in each individual camp's welcome letter. Campers are not allowed to make telephone calls during the camp day except in an emergency.

Camp welcome letters for individual camps will include how to:

- Contact camp staff
- Report absences
- Obtain camp site location changes due to weather, if applicable
- Obtain field trip updates and swim schedules, if applicable
- Report lost and found items

As well as:

- Sign-in and out/ Drop-off and Pick-up Procedures and Locations
- Reminders of general camp procedures and those due to COVID-19
- Camper and staff requirements
- Code of Conduct*
- What camper(s) should bring daily
- Safety and cleaning guidelines
- What a "typical day" will look like or indications of special activities

**If a camper cannot adhere to one or more of these requirements due to a disability, staff will engage in a discussion with the camper's parents/guardians to determine any potential reasonable accommodations.*

Camp Directors/Supervisors

The Camp Director/Supervisor should be contacted when you need to notify staff that another person listed on the authorization form will be picking up a camper, communicate behavior issues, as well as discuss health concerns, camp procedures or camper medication. All calls (or e-mails, if applicable) made to the Camp Director/Supervisor will receive a response within three hours with the exception of an emergency. Emergencies are classified as a serious injury to an immediate family member or if an authorization for a camper pick-up is required by another person not listed on the pick-up form.

Superintendent of Recreation

Contact the Superintendent of Recreation for issues previously reported to the Camp Supervisor that remain unresolved or are reoccurring.

2.6 CALENDARS & CAMP NEWSLETTERS

Camp specific calendars will be provided to parents via e-mail, or paper, if no e-mail is available, by the Camp Supervisor/Director. Parents are encouraged to check these calendars regularly for field trip dates, swim dates, and special information.

Camp specific newsletters will be sent to parents via email on a weekly basis. For those families without an email address, paper newsletters will be available. Parents will be asked to provide an email address on the Camper Information Form. A reminder notice will be distributed during parent orientation and the first week of camp, as well. If you prefer paper versions of calendars and newsletters, please let the Camp Director/Supervisor know.

Most camps will be utilizing My Camp App, an App-based program that will provide pertinent information to parents/ guardians including newsletters, reminders, calendars and rain site location changes. The Welcome letters will provide further information on accessing this platform.

2.7 CAMPER INFORMATION FORMS

Prior to the start of camp, it will be requested that a Camper Information Form (CIF) be completed for each camp participant by their parent/guardian. This form includes pertinent information including emergency contacts, allergies, medication waivers and special accommodation requests. The personal information included on this form is confidential and only shared with necessary individuals.

2.8 BEHAVIOR – CODE OF CONDUCT

To ensure the safety and enjoyment of all campers, the following behavior code of conduct will be used as a guideline for Skokie Park District program participants:

- Will show respect to fellow campers and staff.
- Will follow direction from staff and volunteers.
- Will show respect to equipment, supplies and facilities.
- Will not use inappropriate, abusive, or foul language.
- Verbally threatening or physically aggressive behavior (I.e. hitting, punching, slapping, kicking, biting, licking, spitting etc.).
- Running away from staff.
- Continuous disruptive behavior.

Behavioral incidents that involve non-compliance with the above guidelines will be documented by camp staff. When deemed necessary by the Camp Staff and/or Camp Supervisor, parents/legal guardians will be notified. Continued infraction of the rules and jeopardizing other campers' and staff's safety will be noted on behavioral incident forms and may result in suspension and possible discharge from the program. Campers shall be discharged from camp(s) under circumstances which ensure protection of their own and other campers' physical and emotional well-being and overall safety. Any camper who, after attempts have been made to meet the camper's individual needs, demonstrates the inability to function positively in the type of environment offered at camp or whose presence is harmful to the group, shall be discharged from camp.

In the event of discharge, the needs of the camper and the parent/guardian will be addressed through referrals to other agencies or facilities, if possible.

2.9 BULLYING POLICY

The Skokie Park District is committed to protecting campers and staff from bullying, harassment, or discrimination for any reason and of any type. All Campers and staff are entitled to a safe, equitable and harassment-free experience. Bullying, harassment or discrimination will not be tolerated and is cause for disciplinary action.

Bullying is defined as systematically and chronically inflicting physical hurt or psychological distress on one or more participants or employees. It is further defined as: unwanted purposeful written, verbal, nonverbal or physical behavior, including but not limited to any threatening, insulting or dehumanizing gesture, that has the potential to create an intimidating, hostile or offensive environment or cause long term damage; cause discomfort or humiliation; or unreasonably interfere with the individual's performance or participation, is carried out repeatedly and is often characterized by an imbalance of power. Bullying may involve, but is not limited to:

- Unwanted teasing
- Threatening
- Intimidating
- Stalking
- Cyberstalking
- Cyberbullying

- Physical violence
- Theft
- Sexual, religious or racial harassment
- Public humiliation
- Destruction of property (park district or personal)
- Social exclusion, inducing incitement and/or coercion
- Spreading of rumors or falsehoods

Participants and staff will conduct themselves according to this policy. All District employees are required to investigate any allegations of bullying or violation of this policy.

2.10 BEE Kind, KINDNESS AMBASSADOR PROGRAM

The Skokie Park District is committed to promoting Diversity, Equity, and Inclusion. The ‘BEE Kind, Kindness Ambassador’ program reinforces the importance of being kind to everyone. Our goal is to make all campers feel comfortable and welcome regardless of their ability, race or ethnic origin, age, socioeconomic level, sexual orientation, gender identity or gender, religion, citizenship, or language. To reinforce this message, campers and staff will participate in “BEE Kind” activities throughout the summer and will be asked to complete a ‘Kindness Ambassador Pledge.’

Skokie Park District staff will teach empathy and respect and will resolve issues by having discussions and asking questions. To further this mission, we encourage parents to educate themselves and their children about these topics and the importance of treating each other with respect and kindness.

All camps will celebrate its campers being ‘Kindness Ambassadors’ at Camp Kindness Day on July 19!

2.11 DISCIPLINE

Effective discipline has three purposes:

- To encourage self-esteem, self-control and responsibility.
- To discourage irresponsibility and inappropriate behavior.
- To ensure the safety of all campers and staff under our supervision.

To be effective, discipline must be a part of a positive, respectful relationship between adult and camper. While campers cannot assume the same rights and responsibilities as adults, they can be treated as equals in terms of worth and respect. Staff is expected to communicate their behavioral expectations in a way that is understandable to campers.

When developing behavior expectations, camp staff will consider some basic ground rules:

- **Be Safe!** Behavior must be stopped if it presents a clear risk of harm to oneself or others.
- **Be Kind!** Behavior must be stopped if it infringes on the rights of others.
- **Be Neat!** Behavior must be stopped if it will unnecessarily damage the environment or animals, objects and materials in the environment.

2.12 INCLUSION

The Skokie Park District works cooperatively with the Maine-Niles Association of Special Recreation (M-NASR) to integrate campers with special needs into recreational programs. For more info about M-NASR visit, www.mnasr.org.

Additional assistance, including but not limited to aides, may be provided at camp to work with a specific camper. These aides only intervene in necessary circumstances.

If you feel that your camper would benefit from additional assistance at camp, please communicate the necessary information to the Camp Director/Supervisor, prior to the start of camp.

If the Camp Director and/or Camp Supervisor observe behavior in a camper, in which the camper would benefit from having additional assistance, the parent/guardian will be informed, and a request to M-NASR for their staff to perform an observation will be made. M-NASR will then determine if assistance for the camper would be beneficial.

2.13 CAMP ATTIRE

Campers are encouraged to wear loose and comfortable clothing that may get dirty during daily camp activities. We require that all campers wear closed-toed shoes to ensure their safety while at camp. No open-toed shoes will be permitted at any Skokie Park District camp. We also recommend campers **do not** wear expensive gym shoes.

2.14 PHOTOS FOR PUBLICITY

Throughout the camp season, photographers representing the Skokie Park District or local newspapers may be visiting the camp sites to take pictures. The Skokie Park District is a non-profit organization, and the use of any photographs will be used strictly on a non-profit basis.

2.15 SUNSCREEN & INSECT REPELLENT

It is recommended that you apply sunscreen (at least SPF 30) to your camper before camp and send a labeled bottle with them to camp, as most of the camp day is spent outdoors. Insect repellent, in lotion or stick form only, is recommended as well. You may let us know, in writing, of additional times throughout the day that you would like your camper to apply more sunscreen. Park District staff will not apply sunscreen or insect repellent to your camper, unless otherwise stated, but they will supervise the application by the campers.

2.16 SEVERE WEATHER CONDITIONS

In the interest of safety for all our summer campers, the Skokie Park District has implemented a plan of action regarding severe weather conditions. The plan states that in the event of rain or excessive heat, campers will be brought inside, if located outdoors. On the days of questionable inclement weather, please follow the procedures outlined in your camp's welcome letter.

2.17 WATER ACTIVITIES

To help keep campers cool, water activities may take place during the camp day, if they can be done in a manner that follows current social distancing requirements.

As a result, it is probable that your camper will get wet at times. If you have any objections to their participation, please inform the Camp Director in writing on or before the first day of camp (See Section 2.2 Written Notes.) Additionally, we strongly recommend that your camper pack an extra set of clothing in their backpack daily, in case they get wet and would like to change into dry clothing.

2.18 ACCIDENTS & EMERGENCIES

The Camp Director(s) are certified in both CPR and First-Aid. In case of a major accident, injury or health emergency, local paramedics will be notified by calling 911. In addition, every effort will be made to contact parents/guardians immediately. Staff will provide care for which they are trained until paramedics arrive and will reassure campers throughout, maintaining a safe and calm environment. It is important to list emergency contacts on your registration and Camper Information Form. Once again, **we will not release your camper to anyone not listed on the Camper Information Form or whose name has not been received through written notification.** (See Section 2.2 Written Notes.)

2.19 INSURANCE

The Skokie Park District does not provide individual accident or health insurance.

2.20 PERSONAL PROPERTY

Please label all your camper's items to prevent loss. No games, toys, sports equipment, expensive jewelry, animals/pets, electronics or other valuables should be brought to camp. No camper should share items brought in with any other camper or staff. We ask that campers are responsible for collecting all belongings each day. Any Lost and Found items collected by staff will only be kept until the end of each camp session and will then be disposed of to eliminate cross contamination and the spread of germs. For the safety of all campers and staff, the possession of illegal substances or weapons will not be tolerated.

What are acceptable items your child can and should bring to camp daily?

- Facemask/face covering (If applicable)
- Lunch (and snack) in a labeled disposable paper bag or a labeled non-disposable container
- Water bottle (disposable or a labeled non-disposable bottle)
- Sunscreen
- Bug Spray
- One set of extra clothes in a Ziploc bag (Optional)
- Beach Towel for outdoor eating (Optional)

2.21 FOOD/SNACK RESTRICTIONS

Campers and staff will not be allowed to share food or drinks.

Campers must provide their own lunch each day of camp. (Campers are required to bring a drink for lunch, as well). Camp locations are not equipped with a refrigeration system for perishables. Since lunch at camp may not be until noon or 12:30 p.m., we strongly encourage campers to eat breakfast before arriving at camp.

On hot summer days, it is critical that campers stay hydrated. Not all camp sites and field trip locations will have water fountains. Therefore, campers are encouraged to bring a labeled reusable water bottle.

Please be aware that campers suffering from severe health allergies may be in attendance and that we may count on your cooperation to make alternate food choices for the safety of all campers. If severe allergies exist, you will be notified prior to the start of camp. **Please refrain from sending peanut or peanut product snacks with your camper due to allergies.**

Safety Precautions During Lunch/Snack:

- Whenever possible, lunch/snack will be picnic style outdoors, spread out throughout the park.
- Tables will be completely disinfected before and after eating.
- Hands will be washed/sanitized before and after lunch. Staff will supervise campers as they do this.
- Individual groups may be designated as peanut and tree nut free.

2.22 ILLNESS POLICY

Campers should not be brought to camp with an illness that is contagious, or with a fever, diarrhea, vomiting, or unidentifiable rashes. Campers may not return to the camp until they are fever and/or diarrhea free for 48 hours (without fever reducer medication). If a child shows any illness symptoms or has a high temperature recorded at camp, parents will be required to pick up their child immediately. Dependent upon illness, a doctor's note stating that the camper may safely return to camp may be required. If a camper has a communicable disease, all parents/guardians with a camper at the respective camp site will be notified by the Camp Supervisor. Thermometers will be available at camp in case staff need to take a child's temperature during the day.

A Healthy Camp Begins and Ends at Home!

- If your child is showing signs of illness such as running a temperature (100.4 or above), throwing up, has diarrhea, nasal drainage and/or coughing/sneezing, keep the child home. This greatly reduces the spread of illness at camp but also supports your child's recovery.
- Teach your child to sneeze/cough in his/her sleeve and to wash his/her hands often while at camp, especially before eating and after toileting. If you really want to achieve impact, teach your child to accompany hand washing with another behavior: keeping their hands away from their face.

- Parents are responsible to let the Camp Director/Supervisor know immediately if their child has symptoms or has been diagnosed with a Communicable Disease.

What if there is a case of COVID at your child's camp?

- Parents are responsible to let the Camp Director/Supervisor know immediately if their child has symptoms or are positive for COVID.
- The Skokie Park District will follow whatever the current safety rules and precautions set forth by the IDPH and Skokie Health Department are regarding COVID.

2.23 MEDICATIONS

If your camper takes any kind of medication, please indicate this on the Camper Information Form and complete the Medical Form which must be signed by a parent/guardian. Please note medications will not be dispensed without the completed and signed forms. It is preferred that medication schedules be planned around the camp program when possible.

All medications must be kept in the **original containers** and specific directions for their use described on the forms. All medication should be given to the Camp Director/Supervisor only. The Camp Director/Supervisor will supervise the distribution of any medication that must be taken during the camp day.

2.25 POOL RULES & PROCEDURES

Summer Camps may visit the pool. Please see individual camp schedules and welcome letters for more information about when and where swimming will occur.

- Campers that do not take the swimming test or do not pass the swimming test will be issued a wristband. Campers issued a wristband should remain in shallow water. This is determined as water shallower than their own armpits. Campers are welcome to retake the swim test at their next visit.
