PLANT SALES SHEET – 2020

Purchasing Procedure

1. All purchases must be made in advance. There will be no on-site purchasing this year.
2. Staff will select the best plants available. For most species, there are two or more plants in each pot. All species are first-year plants and will bloom by their second or third year of growth.
3. Review the *Plant Requirements and Characteristics* and the *Native Plant Photo File* documents when making your selections.
4. Complete the order form with the total quantity of each species desired and with your contact information below.
5. Email your order form to EONC@SkokieParks.org.
6. Your order will be entered into our RecTrac purchasing system with an amount due. Adjustments will be made for sold out species.
7. Check your junk mail folder if you do not see your balance due receipt within 24 hours. Your user name will also be emailed to you.
8. Go online to <https://register.skokieparks.org/wbwsc/webtrac.wsc/splash.html> to log in to your Park District account and pay for your balance due with a credit card.

Pick-up Procedure

1. Bring your payment receipt to Emily Oaks on the next scheduled pick-up day (N/A) **OR we can arrange a pick-up date**, as well.
2. Please wear a mask during pick-up. Drive to the gate by the garage driveway and show your receipt to the staff.
3. Turn your engine off, and wait in your car.
4. Staff will bring your plants to your car and leave them near the vehicle.
5. After staff has stepped away, you may come out of your car to load the plants.
6. Empty pots can be returned in a paper bag labelled “plant pots” and left by the front door of the Visitor Facility.

Questions?

Please call Emily Oaks Nature Center at (847) 677-7001 and leave a message. Staff will respond to your call within 24 hours or sooner.

Thank you for your support of native plants and Emily Oaks Nature Center.

Happy gardening!
