

# Rocket League: An E-Sports Experience

*High speed arcade-style vehicular soccer mayhem!*

Grab a team of three (3) to participate in some friendly online gaming competition while we ride out this pandemic. The Skokie Park District is teaming up with GGLeagues, a local e-sports management platform that focuses on offering a social experience while gaming. The league can be played on various devices: Playstation 4, Xbox, Nintendo Switch or desktop, requiring an internet connection. Players must also own the game Rocket League. You and the other team you will play each week. Registration closes May 31. For information email [abfletcher@skokieparks.org](mailto:abfletcher@skokieparks.org).

This video is high speed arcade-style vehicular soccer mayhem with easy-to-understand controls making it ideal for any age. The five week regular season will begin June 3. Games will be Wednesdays at 7 p.m. Your team will play the best of five each week, with each game lasting about five minutes. A one day playoff for the top eight teams will take place Wednesday, July 8 from 7-10 p.m. (Details to follow as the season begins.) Register your team and we'll send you directions on how to get plugged in with GGLeagues. Prizes will be awarded to the top 3 teams. Registration fee includes league organization and prize for top three teams per division. \$90/team.
