

# Skokie Snap Shots!

## Photo Scavenger Hunt

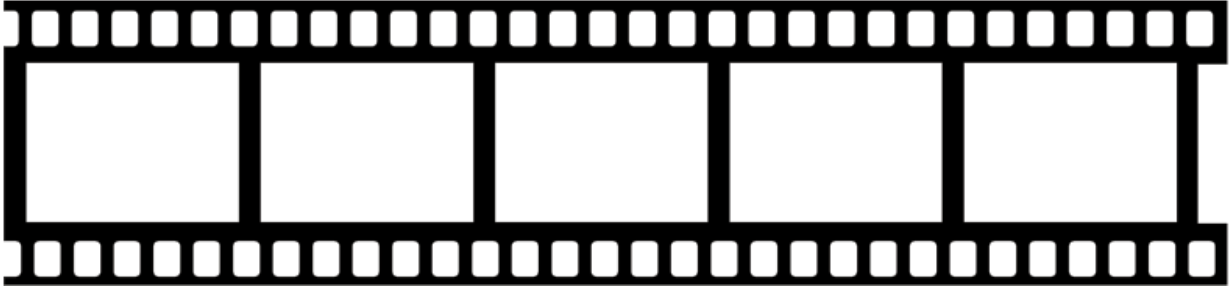

Use the clues for each week (or two) to find these historical or cultural sites in Skokie. Extra hints are underlined and in bold.

Then share it by posting on the Skokie Heritage Museum's [Facebook page](#)! Or if you don't want to do the posting, just send it to us to share at [sohare@skokieparks.org](mailto:sohare@skokieparks.org).

If you complete them all, you'll receive an enthusiastic congratulatory message and a small prize!

**Week 1, May 24 – 30:** Celebrate our national heroes and snap a shot at one of three memorials in Skokie celebrating our local servicemen and women, past or present.

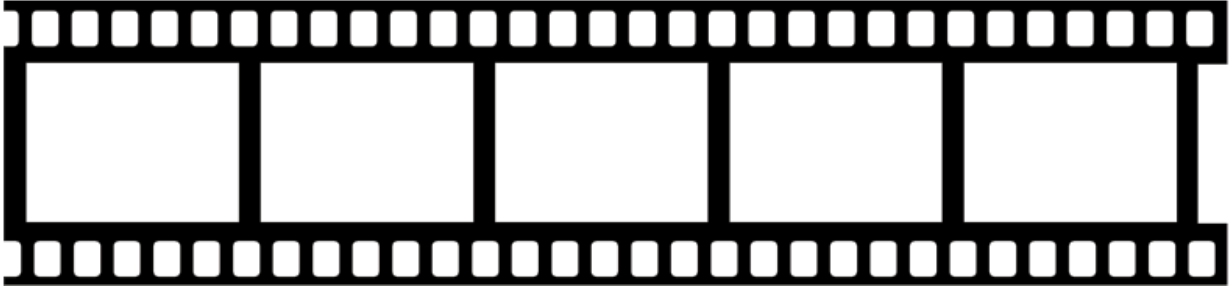

**Week 2, May 31 – June 6:** Flying in the sky, on the edge of town, these flags commemorate the cultures that participated in Skokie's first Festival of Cultures. Take your best shot of this spot and help celebrate the 30<sup>th</sup> Anniversary of Festival of Cultures.

**Week 3, June 7 - 13:** You used to be able to get somewhere swift by stopping at this building. Don't let its old prairie style façade fool you, it's modern inside, and you're now more likely to grab a sip than take a trip.

**Week 4, June 14 - 20:** This relic from the 1933 Chicago World's Fair flies high as a symbol of our country, near a place of higher learning. Also, is a remnant of the former home of the Niles East Trojans.

**Week 5 & 6, June 21 - July 4:** Celebrate Independence, Celebrate Us. What best represents independence and Skokie to you? Send us your best representation.

**Week 7, July 5 – 11:** This is so neat, and it's under your feet when you walk down the street at 7800 Lincoln Ave. This piece of footwear commemorates the store that used to be there. Snap a shot comparing your footwear to this.

**Week 8, July 12 - 18:** Our community is filled with many different cultures, but let us not forget those that were here before us. On the north side of town, near a playground, growing from the ground this wooden guide represents the Skokie area’s first residents.

**Week 9, July 19 – 25:** Whether lit at night or in plain sight send a picture of the inspiration for the Skokie Public Library’s current logo.

**Week 10 & 11, July 26 - August 7:** Pose with our favorite spotted pooch in front of Skokie’s first public building. One time home to Skokie’s Fire Department and the Village Hall.

**Week 12, August 8 - 15:** Find this inspirational, peaceful leader who helped gain independence for his country and celebrate that independence and the cultural heritage of many Skokie residents.
