

## Summer Camp Survey & Update

Dear Camp Parent or Guardian,

As always, the Skokie Park District remains committed to maintaining a safe, clean, and healthy environment for our staff and campers. In partnership with the American Camping Association (ACA), we are closely monitoring information about COVID-19 and are actively discussing the latest updates from the Centers for Disease Control and Prevention.

At this time, we are planning on providing our campers with a much-needed, fun-filled summer camp experience for summer 2020. We will continue to monitor the effects of Coronavirus and our ability to run summer camps this year. To protect the health and safety of our patrons and staff, in the coming weeks ahead, we may need to make changes, delay, or cancel our summer camps. If any of these occur, you will be notified by email, and we will make any associated adjustments to your account. Although we plan to run camps, a decision will not be made until closer to our start date.

We will be implementing several new policies, cleaning procedures, and modifications to assure that we are doing everything in our power to lessen the spread of germs at camp. These new policies will continue to evolve as information is updated.

[Please take the time to complete this Summer Camp 2020 survey.](#)

**The camp refund policy has been updated to reflect that all camps (June 15 to August 21) are 100 percent refundable until June 1, 2020. Camp auto-debit is also on hold until further notice. If you have questions or need to request a camp refund, please contact the individual Camp Supervisor. (See page 2 below).**

Please visit <http://skokieparks.org/> for various updates and for our Stay-At-Home Programs.

Thank you for your patience during this difficult time.

Stay safe,
