

Week Of The Young Child

Tot
Learning
Center
2020

Monday - Little Citizens Day 

We're focused on RECYCLING and SPRING CLEANING our homes!
Find toys, books, clothing, anything that could be shared or reused!

Tuesday - Little Authors Day 

Read your favorite stories together! Children may even dictate,
read, or write one on their own!

Wednesday - Little Artists Day 

Get outside and do some chalk art on your sidewalks, patios, etc.!
If you want, decorate a mask to wear out while you work 😊

Thursday - Little Chefs Day 

Make your favorite recipe! You can even include the recipe for
others to try at home!

Friday - Little DJs Day 

Have an awesome pajama dance party at home! Make a band and
create instruments with whatever you have!

In addition, create your child's paper cut-out "This is Me" to represent a visual signature to the #SkokieShelterNPlay project for the Week of the Young Child. Be creative, expand it to "My Family" by making paper cutouts for every family member; color, decorate and display on your window as "WOYC 2020". Each "This is Me" is unique, decorated by a young child as an image of him/herself. Each one is a visual representation of a child in Skokie Park District's Tot Learning Center, full of promise and potential.
