

# WINTERTIME WOODLAND BINGO

Name: \_\_\_\_\_

# EMILY OAKS

## NATURE CENTER

Welcome to Emily Oaks Nature Center in winter! It's a great time to explore nature and take in all of its sights, smells, touches and sounds.

We invite you to play Winter Woodland Bingo while you are out on your hike. If you discover a neat natural wonder on the back of this page, circle it with your pencil. See how many you can find. **When you've found and circled five in a row (across, diagonal, or up and down), you've won! ???** Don't forget to use the free space. Good luck and have fun exploring and discovering nature in winter.

### *Things to remember:*

- Please share your nature discoveries with others.
- Please leave everything you find where you find it.
- Please email any fun pictures to [eonc@skokieparks.org](mailto:eonc@skokieparks.org) to share your adventure with us!
