

# Registration Tips & Tricks!

1

Virtual Camp Open House is Wednesday, February 1 from 6-7:45P. *Designated time slots for most camps will be available for a brief overview.*

2

Resident registration begins at 12P on Sunday, 2/5 and non-resident registration begins at 8:30A on Wednesday, 2/22.

4

Outstanding household balances are required to be paid before registering for camp.

3

Walk-in registration is available on 2/5 at Devonshire Culture Center, Emily Oaks Nature Center, Skatium Ice Arena, Oakton Community Center, and Weber Leisure Center. *For walk-in registration after 2/5 please check facility's hours of operation on [skokieparks.org](http://skokieparks.org) before visiting.*

5

Campers must be the appropriate age by 9/1/23.

6

Confirm your household registration username and password before registering.

7

Double check that your household information is updated and correct and that all children are listed on the account.

8

New users should create registration household ahead of time.

9

Do not add camps into your cart ahead of time. Instead, add the camps you want to register for to your wish list. At the time of registration move wish list items into your cart for purchase.

10

Fee assistance is available. Visit the Skokie Park District's **Fee Assistance page** for more info, or email [LHanley@skokieparks.org](mailto:LHanley@skokieparks.org)

11

The park district increased the internet bandwidth speed to help with the high volume of registrations. However, please anticipate slower processing times.

12

Camp capacities are limited. If a camp is full we encourage you to put your child on a waitlist. A Supervisor will contact you if and when a spot becomes available. The Park District's goal is to accommodate as many campers as possible and clear waitlists.

13

SPD is using Queue-It as a virtual waiting room to control high traffic volume for a better end-user experience!

14

Questions or need assistance? Please contact [info@skokieparks.org](mailto:info@skokieparks.org) or call a Customer Service Representative at (847) 674-1500.
