SPACE
OUTDOOR PLAY
WEATHER GUIDELINES

SPACE participants will have opportunities to play outdoors each day, weather and conditions permitting. Staff will check current conditions before outdoor play.

DRESS FOR THE WEATHER

Please send your child dressed for the weather, including a coat, hat, and gloves during colder months.

COLD WEATHER | WIND CHILL

Wind chill is how cold the air feels when wind is combined with the outdoor temperature.

Above 30°F	**OUTDOOR PLAY** Children will play outdoors, weather permitting.
15°F-30°F	**OUTDOOR PLAY WITH ADJUSTMENTS** Children will play outdoors, but may be for a shorter duration, based on conditions.

Within this temperature range only: When school space and daily staffing allow, children may be offered the choice of indoor or outdoor play. This option cannot be guaranteed.

Below 15°F	**INDOOR PLAY** All children will remain indoors.

HOT WEATHER | HEAT INDEX

Heat index is how hot the air feels when humidity is combined with the outdoor temperature.

Below 85°F	**OUTDOOR PLAY** Children will play outdoors, weather permitting.
85°F-94°F	**OUTDOOR PLAY WITH ADJUSTMENTS** Children will play outdoors. Staff may shorten outdoor time, provide water breaks, and adjust activities based on conditions.

Within this temperature range only: When school space and daily staffing allow, children may be offered the choice of indoor or outdoor play. This option cannot be guaranteed.

Above 94°F	**INDOOR PLAY** All children will remain indoors.

Staff may shorten outdoor time or move activities indoors at any temperature due to inclement weather and playground conditions.
