Message from the President Winter Programs for your safety

As the COVID-19 pandemic continues to impact our daily lives, the staff of the Skokie Park District continue to work to find safe ways for Skokie residents to recreate and have fun during an extraordinarily difficult time. To that end, this online-only Winter Program Guide allows staff to make last-minute changes to our winter programming, with convenient registration links for nearly every class.

Inside this guide, you will find many special events created with your family's safety in mind, as well as Fitness First memberships, a chance to use the Skokie Sports Park golf range throughout the winter, many classes and programs, and much more.

Please check this guide frequently, as we will attempt to keep both the guide and our website up to date with any program cancellations or changes due to the coronavirus. Also please know that on a daily basis, our staff take into account federal, state and local recommendations when making all programming decisions.

Have fun this winter and please wear a mask and physically distance as a matter of course.

Sincerely,

Save 20% on most programs. ook for the discounted fees in areen!

The Skokie Park District in the Age of COVID-19

The Skokie Park District is currently operating in Phase 4 of the Restore Illinois Plan, allowing the district to open some of its facilities and run many programs this fall. In order that all park district users and district staff stay healthy and safe, the district has instituted the following safety measures (with some exceptions), recommended by the state and by the CDC (Centers for Disease Control):

Masks

Nothing helps reduce coronavirus cases like wearing a mask over your mouth and nose. The district requires this in all of its open facilities, especially in cases where patrons cannot maintain 6 feet of social distancing.

Social distancing

Whether indoors or outdoors, please maintain 6 feet of distance from anyone that does not shelter together in your

Self Screening

Per CDC guidelines, district users and staff are required to stay home with COVID-19 symptoms including frequent coughing, fever, difficulty breathing, chills, muscle aches, sore throat, or recent loss of taste

Frequent Hand Washing or Sanitizing

Facility patrons and staff are required to wash their hands often, especially before eating and after contact with public surfaces, or use alcohol-based hand sanitizers.

Group Sizes

Gatherings of 50 people or more are not allowed during Phase 4. Many district programs limit class sizes even further according to the size of the room or area in which the class is held.

Cleaning

In addition to regular daily cleaning, all Skokie Park District facilities are aggressively disinfected, including doorknobs, rails and high touch areas. Open facilities also provide restrooms for hand washing, as well as hand sanitizers.

Winter 20-21

Keep an eye out for our new icons indicating important information about classes, programs and trips.

The Log Cabin will remain closed while in Phase 4.

Pioneer Activities Program

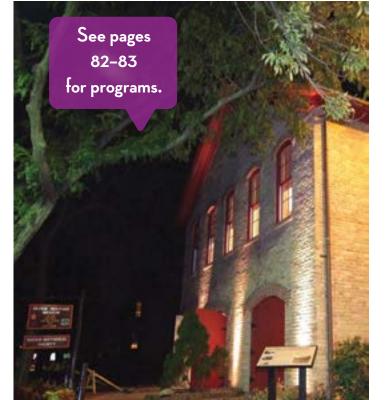

This program is for scout groups or educational groups of not more than 10 children and includes a tour of the log cabin, candle dipping, making cornhusk dolls and playing with pioneer toys. Please schedule at least one month in advance and make payment at least 10 days prior to the program.

Aikido is martial art based upon circular movements to redirect aggressive and offensive attacks back to the assailant. Aikido consists of purely defensive movements. For more practical defenses, sometimes atemi (punching and kicking) is used and illustrated in practice. Since Aikido techniques use one's own body movement and Ki (internal energy), rather than purely physical or muscular force to disable the attacker, it is an ideal martial art for women and children of small stature and frame. You need no prior martial arts experience or special bodybuilding, to practice Aikido. Optional additional sessions will be held on Sundays (adults only) from 10-11:30A at Weber Leisure Center.

cultural arts THEATER

Robin Horwitz at RHHorwitz@SkokieParks.org 💟 🌀 @SkokieParks 🚹 @DevonshirePlayhouse

In the Devonshire Theater program, both children and adults will learn everything from scene study, to musical basics, story creation, production, circus arts and much more. Artists develop self-presentation skills, with children learning to converse with adults in a mature manner, allowing them to develop poise and learning to overcome anxieties. Performing arts are also about social interaction and cooperation. Students will no doubt make life-long friends with those who share the same passion as they do. Not only do the theater arts stimulate self-confidence and creativity, researchers now link involvement in the theater to higher student achievement.

We Are Partners In the Arts

We are reaching out to cultural arts groups to offer them the opportunity to conduct classes/events in our space. We have multipurpose areas, theatre, dance and art studios that all have limited availability for outside groups. To qualify the group would have to promote an area of the arts and present something that would compliment and not conflict with the current Devonshire curriculum. Additionally, we would have to determine an agreed upon schedule in the available space. Any class registration and/ or tickets would run through the Skokie Park District. Both the park district and the group would receive a percentage of registrations/ tickets. For more information, please call or email Robin Horwitz at (847) 929-7420 or rhhorwitz@skokieparks.org
