

The Skokie Park District is seeking to establish two advisory committees of the Park Board.

*In keeping with the Skokie Park District's **Vision** of a community where all of its residents enjoy a high quality of life through leisure time pursuits, beautiful open spaces, and first-rate facilities, and realizing this vision through the district's **Mission** of teamwork, community partnerships, sound fiscal management, and creativity in every area of its operation, and embracing its **Core Values** of Commitment, Service, Integrity, Openness, Innovation and Environmental Stewardship:*

- I. The board seeks residents for a Skokie Park District **Diversity Advisory Committee**, to facilitate dialogue with the diverse community of Skokie, in order to promote programs, recreational activities and events for all populations. The district seeks individuals of all cultures and backgrounds to assist in developing a mission for this diversity advisory committee and to continue community engagement and involvement over time.
  
- II. We are also seeking members for a Skokie Park District **Community Engagement & Outreach Advisory Committee**, who will consist of Skokie residents who have established networks or relationships within the community and will report back to the Skokie Park District's Board Marketing Committee. Its purpose is to:
  1. Provide outreach to the community to increase awareness of Skokie Park District programs and events,
  2. help us understand barriers for participation, and
  3. provide community feedback about Skokie Park District programs and initiatives.

Skokie residents interested in becoming involved with either committee are urged to fill out the attached application form and return it to Executive Director John Ohrlund.
