Growing Sprouts

This early childhood program combines traditional preschool activities with outdoor discovery and exploration. A majority of your child's morning will be spent naturally learning through outdoor play. Children will use tools to conduct simple science experiments; learn about plants, animals and habitats; observe the changing seasons; and play freely in nature. Ages 3.5-5.

Monday, Wednesday, Friday
February 29-May 20
9:30-11:45 a.m.

Fee: \$615 res/\$769 non-res
Class #: 640422-03
