Supervision ratios:

For children age 5 and younger: One responsible individual, age 16 or older, for every five children

For children age 6-10: One responsible individual, age 16 or older, for every ten children

All groups must participate in a brief safety orientation with a manager before entering the facility for the first time each summer.

Coast Guard Approved life jackets are permitted. No other inflatables or floatation devices are allowed. Life jackets may not be worn on water slides or the diving board. **Lifejackets are not a substitute for adult supervision.**

No alcohol, glass, or open flame is allowed. We do not have refrigeration/freezer space available. No catering or carry-out food is allowed inside the facility. You are welcome to bring a cake and any homemade foods. Food packages are available through our concession stand: call (847) 676-2433 or email info@rent-a-chef-inc.com for more info.

Failure to adhere to safety rules, or repeated violations of pool rules, may result in the cancellation of your reservation.

Cancellations & Refunds

All parts of our facilities are completely outdoors and exposed to the elements. In the event of rain or low temperatures, we will contact you to determine how you would like to proceed; if we can, we will go ahead with the reservation. Otherwise, we can try to reschedule, or issue a refund. No refunds will be issued due to weather after the first hour of a reservation. Refunds can be returned to the original credit card used to purchase the reservation, or issued via check to the party host.
