INTRO TO FREE SKATE THROUGH GOLD

Intro to Free Skate through Gold level students (ages 6-19) must register according to the last class level passed. Enroll one class higher than the last test passed, unless approved by the skating director. If in doubt, register for the class your child was in for spring 2017; we will advance your child when they are tested. Remember only those skaters registered in classes are permitted to perform in the Skatium's annual ice show. Also, only skaters registered in Bronze and higher who are registered for the fall 2017, winter 2017 and spring 2018 will be permitted to try-out for a solo in the 2018 ice show.

Skaters will not be admitted into the next higher class without having been tested by a Skatium class teacher.

Skaters who have passed USFSA Free Skate 6 must register for the Bronze level. The class level Instructor will then determine which skaters should be placed in the Silver or Gold Classes. Selection will be based on skill level.

Bronze, Silver and Gold registrants will need to demonstrate the class skills from their last test level on the first day of class to certify their ability to participate in a high level class. Skaters who do not meet the requirements for the class will be placed in the appropriate level.

Skaters Free Skate 3-Free Skate 5 should practice 2 hours a week and those in Free Skate 6 & up should practice 3-4 times a week

This class is designed for skaters who have very busy schedules, who love to skate and enjoy the challenge. Learning non testing skills, such as Bauers, spread eagles, split & stag jumps, twizzles, side layback, split falling leaf & one foot axels. This is not a skill based program, it's a class for skaters who no longer wish to test through the various levels.

Kaleidoscope Silver is for skaters considered Free Skate 2 through Free Skate 4.

Kaleidoscope Gold is for skaters considered Free Skate 5 & Up

Skaters registered for the Silver class would need to be evaluated and approved by Kerry in order to move up to the Gold Class. Skaters wishing to participate in the annual ice show would need to have placement approval by their Kaleidoscope teacher for which show level skaters should register for.
