Pre Free Skate thru Gold

Pre Free Skate through Gold level students (ages 6-19) must register according to the last Compulsory test level passed. Enroll one class higher than the last test passed, unless approved by the skating director. If in doubt, register for the class your child was in for winter 2014; we will advance your child when they are tested. Remember only those skaters registered in classes are permitted to perform in the Skatium's annual ice show. Also, only skaters registered in Free Skate 6 and higher who are registered for the fall 2014, winter 2014 and spring 2015 will be permitted to tryout for a solo in the 2015 ice show.

Skaters will not be admitted into the next higher class without having been tested by a Skatium class teacher.

Skaters who have passed USFSA Free Skate 6 must register for the Bronze level. The class level Instructor will then determine which skaters should be placed in the Silver or Gold Classes. Selection will be based on skill level.

Bronze, Silver and Gold registrants will need to demonstrate the class skills from their last test level on the first day of class to certify their ability to participate in a high level class. Skaters who do not meet the requirements for the class will be placed in the appropriate level.

Moves In The Field

HIGHLY RECOMMENDED to all Skaters Pre Free Skate and Higher

Moves In The Field (MIF) emphasize basic skating skill and edge control. In the context of a competitive program, 'moves in the field' include spirals, spread eagles, Ina Bauers, hydroblading, and similar extended edge moves.

U.S. Figure Skating requires each skater to pass a "Moves in the Field" test, as well as a free skating test, in order to qualify for the various levels of competition. Skaters must perform each field move in the specified pattern while demonstrating adequate power, quickness, edge control, and extension throughout the pattern to be accepted into the level. This class will prepare skaters to take their Pre Preliminary, Preliminary, Pre Juvenile and or Juvenile Moves In The Field Test through the Chicago Figure Skating Club.
