Special Offer!

Sign up a single skater for two of the same class level on different days and receive 50% off the second class (must be main curriculum classes, Snowplow Sam 1 - Gold). This offer is only valid prior to the start of the first day of class.

Pre Free Skate through Gold

Pre Free Skate through Gold level students (ages 6-19) must register according to the last Compulsory test level passed. Enroll one class higher than the last test passed, unless approved by the skating director. If in doubt, register for the class your child was in for fall 2015; we will advance your child when they are tested. Remember only those skaters registered in classes are permitted to perform in the Skatium's annual ice show. Also, only skaters registered in Free Skate 6 and higher who are registered for the fall 2015, winter 2015 and spring 2016 will be permitted to tryout for a solo in the 2016 ice show. Skaters will not be admitted into the next higher class without having been tested by a Skatium class teacher.

Skaters who have passed USFSA Free Skate 6 must register for the Bronze level. The class level Instructor will then determine which skaters should be placed in the Silver or Gold Classes. Selection will be based on skill level.

Bronze, Silver and Gold registrants will need to demonstrate the class skills from their last test level on the first day of class to certify their ability to participate in a high level class. Skaters who do not meet the requirements for the class will be placed in the appropriate level.
