Intro to Pre Free skate thru Gold

Intro To Pre Free Skate through Gold level students (ages 6-19) must register according to the last Compulsory test level passed. Enroll one class higher than the last test passed, unless approved by the skating director. If in doubt, register for the class your child was in for winter 2016 we will advance your child when they are tested. Remember only those skaters registered in classes are permitted to perform in the Skatium's annual ice show. Also, only skaters registered in Free Skate 6 and higher who are registered for the fall 2016, winter 2016 and spring 2017 will be permitted to try-out for a solo in the 2017 ice show.

Skaters will not be admitted into the next higher class without having been tested by a Skatium class teacher.

Skaters who have passed USFS Free Skate 6 must register for the Bronze level. The class level Instructor will then determine which skaters should be placed in the Silver or Gold Classes. Selection will be based on skill level.

Bronze, Silver and Gold registrants will need to demonstrate the class skills from their last test level on the first day of class to certify their ability to participate in a high level class. Skaters who do not meet the requirements for the class will be placed in the appropriate level.

Kaleidoscope Class

This class is designed for skaters who have very busy schedules, who love to skate and enjoy the challenge of learning different non- testing skills. This is not a skill based program – it's for skaters who no longer wish to test through the various levels.
